DOCTOR WHO

SCRATCHMAN

What are
you
afraid of?

TOM BAKER

"We're not really here for a picnic, are we, Doctor?" asked Sarah.
"No," I agreed. "Something's brought the TARDIS here."
"Something good? Something evil?" She paused, and sighed.
"It's going to be something evil, isn't it?"

What are you afraid of?

The Doctor, Harry and Sarah Jane Smith arrive in a quiet Scottish village, but their holiday is cut short by the appearance of strange creatures – living scarecrows who terrify the local population. The scarecrows are the work of the sinister Scratchman – and he has set a series of traps for the Doctor, to get inside the Time Lord's head.

If Scratchman can learn the Doctor's greatest fears, then no force in creation can stop him. And the Doctor's worst nightmares are coming out to play...

Tom Baker is an actor best known for his role as the Fourth Doctor in the BBC hit series *Doctor Who*. Since then he has worked on *Black Adder*, *Agatha Christie's Marple*, *Little Britain*, and much more.

Tom Baker's legendary Doctor Who adventure is a spine-chilling thriller forty years in the making

The Doctor, Harry and Sarah Jane Smith arrive in a quiet Scottish village, but their holiday is cut short by the appearance of strange creatures – living scarecrows who terrify the local population.

The scarecrows are the work of the sinister Scratchman, a cosmic force that enslaves planets and turns them into nightmare worlds – and he has set a series of traps for the Doctor, to get inside the Time Lord's head.

What is the Doctor most afraid of? If Scratchman can learn that, then no force in creation can stop him. The fate of the universe hangs in the balance. And the Doctor's worst nightmares are coming out to play…

A complete and unabridged reading by the author **Tom Baker,** who was the Fourth Doctor in the BBC TV series from 1974 to 1981. Additional voices are supplied by **Nicholas Briggs**.
